

Dear Senior Student-Athlete,

Congratulations on your academic and athletic accomplishments during your time here at Dracut High School. The Dracut High School All Sports Boosters Club is proud to offer a number of scholarships this year and invite you to apply.

In order to qualify for an All-Sports Boosters Club scholarship, you must have played on at least one varsity sport during your senior year and have a minimum GPA of 2.0. **Also new this year, your parent or guardian must be a member, in good standing, of the Boosters.** Membership is open to all parents of DHS student athletes. Membership information, applications and policies and procedures can be found on the Boosters web site: <https://sites.google.com/view/dhsallsportsboosters/documents>

The Scholarship Selection Committee, comprised of All Sports Boosters, non-senior class parent members in good standing, will tally your athletic accomplishments. Your name and GPA will be withheld from the committee during the selection process. Qualified applications will be included in a lottery to choose the scholarship recipients. The total number of applicants will determine how many applications will be eligible for the lottery. In order to be included in the lottery, SENIOR participation and accomplishments will be tallied. In the case of a tie, the selection committee will tally underclass participation and accomplishments. If a tie continues, the student's GPA will be used as the final tiebreaker. All GPA information will be provided by the DHS Guidance department and will be kept in strict confidence.

Scholarship recipients will be announced at the Dracut High School Pride Night on May 30th. Scholarship money will be awarded once a student submits documentation to show they have enrolled in college or a military academy or proof of entering the military. Failure to submit the appropriate documentation will result in forfeiture of the awarded scholarship money.

There are two ways for you to submit your completed application.

- 1) email your completed application to boostersscholarship@gmail.com
- 2) mail your completed application to:
